

## **Jet Cell Operator – Dayshift**

Middlesex Aerospace is a strategic market leading British Aerospace manufacturer and global aerospace engineering company and we pride ourselves on delivering excellence.

We are currently looking to recruit a Day shift Jet Cell Operator to join our team here in the Jet Cell on a full time basis.

### **Overview:**

The Jet Cell is responsible for producing Oil Jet lubrication Nozzles that are key to the functionality of Helicopter Gearboxes.

Working within a small dedicated team you will be required to support all aspects for the production of oil jet lubrication nozzles.

### **Principal Accountabilities:**

Preferably having a background in mechanical engineering or the acumen to learn, the outline role will be to

- Machining parts using milling, turning & small drilling equipment.
- Use specific jigs and fixtures and set machines as required.
- Perform flow testing and pressure testing activities as required and record results.
- Prepare components prior to surface treatments to ensure all parts are deburred and clean to a satisfactory standard.
- Oversee the components received from surface treatments to ensure the appropriate quality standards have been achieved.
- Undertake assembly activities such as fitting of Lee plugs, O Rings & Filters.
- Preparing components for despatch to the Customer.

### **Desired Skills & Experience:**

- Have a good appreciation of a manufacturing environment and the production processes involved.
- Possess reasonable computing skills and be familiar with Microsoft Office products such as Word & Excel.
- A willingness to learn new skills and grow within the role.
- A team player who is self-motivated and able to work under own initiative.
- Good time management and organisational skills.
- Methodical with good attention to detail.

**Additional Information and Company benefits:**

- Competitive pay
- 25 days holiday plus Bank Holidays
- Contributions to a pension scheme with life insurance cover
- Flexible working opportunities
- Complimentary eyecare
- Discounts on personal tools
- Cycle to Work Scheme
- Weekly Hours: 40 Hours Monday-Friday

Closing date of application – 30/03/22.
